

EXPERIENCE

UNIVERSITY OF PRINCE EDWARD ISLAND

Student Assistant

Marked Assignments for Introduction to Java Course.
Worked as lab assistant along with professor to aid
students in their lab.

INSPIRED THINKERS

Web Designer and Developer

Joined a small team of developers to design and
develop websites. Helping clients to have an online
presence. Worked with HTML, Wordpress, PHP,
MYSQL, Bootstrap and CSS to make professional
websites.

PROJECTS

Live it Loud Portal

Using Bootstrap and a free login page from the internet,
aided the Live it Loud team to keep track of registrants.
The portal reported updated registration numbers in real time,
ability to look up registrants much efficiently than previous methods.

Android Development Final Project

Worked with a three man team to develop an app that periodically
sends users location to a user specific number. App was developed
using Android Studio, Java and GitHub..

Bury And Bloom Website Redesign

Redesigned Bury and Bloom's website using Wix.
